No. 18, 1948.

AN ORDINANCE to amend "The Cathedral Compensation Fund (Organs) Ordinance 1948."

WHEREAS when passing the Cathedral Compensation Fund (Organs) Ordinance 1948 it was intended to authorise if thought expedient the doing of all things necessary to combine and convert the two organs therein referred to into one organ to be played and operated from one console.

AND WHEREAS thereafter doubts arose as to whether the said Ordinance sufficiently gave such authority and consequently the Synod passed a resolution directing the Standing Committee to pass such amending Ordinance as it deemed expedient to give effect to the said intention.

Now the Standing Committee of the Synod of the Diocese of Sydney in the name and place of the said Synod declares and ordains as follows:—

1. By reason of circumstances subsequent to the creation of the trusts of the income of the Cathedral Compensation Fund referred to in the said Ordinance it has become inexpedient to carry out or observe the trusts appertaining thereto to the extent to which the same are varied by this Ordinance and it is expedient that such trusts be varied accordingly.

2. The amount not exceeding Twenty thousand pounds (£20,000) mentioned in Clause 2 of the said Ordinance may be applied in and towards not only the doing of the things therein mentioned but also in and towards doing all such other things as the Chapter shall deem necessary and the Standing Committee shall by resolution approve to combine and convert the said two organs into one organ to be played and operated from one console including the demolition in whole or in part of either or both of the said two organs.

3. This Ordinance may be cited as "The Cathedral Compensation Fund (Organs) Amendment Ordinance 1948."
