

Synod Appropriations and Allocations Ordinance 2007

No 31, 2007

Long Title

An Ordinance to authorise financial appropriations and allocations for 2008 and for incidental matters.

Preamble

A. By the Synod Appropriations and Allocations Ordinance 2005 (the "2005 Ordinance") the Synod of the Diocese of Sydney (the "Synod") stated its intentions for certain financial appropriations and allocations for 2008 and directed that the Standing Committee pass all such ordinances as may be necessary from time to time to give effect to such intentions

B. The actual amount available to be appropriated from a number of ordinances in 2008 is greater than had been estimated at the time the 2005 Ordinance was prepared.

C. The Ordination Training Fund Committee has determined that its expenditure in 2008 will be less than originally estimated in the 2005 Ordinance.

D. The Synod has recently passed the Connect 09 (Funding) Ordinance 2007 which calls for the Standing Committee to pass all such ordinances and take such other action as may be necessary to allocate up to \$402,000 to meet the expected administration costs of Connect 09 in 2008.

E. It is expedient to implement the Synod's intentions for financial appropriations and allocations for 2008, except for a reduced allocation for the Ordination Training Fund and a new allocation toward the administration costs of Connect 09.

The Standing Committee of the Synod of the Diocese of Sydney Ordains as follows.
